

ENGINEERING

JOBFAIR

Thailand

**22-23
FEBRUARY
2017**

BITEC, BANGKOK

**THE CAREER MEETING POINT
FOR ENGINEERING PROFESSIONALS IN THAILAND**

Supported By

Organized by **TECHNOBIZ**

“Engineering Job Fair Thailand” is an exhibition on engineering job opportunities in Thailand. In this exhibition, interested companies and factories can publicize available engineering jobs in this fair for FREE. Every type of engineering position such as Chemical, Electrical, Electronics, Mechanical, Civil, Architecture, Computers, Industrial etc can be publicized in this fair. Interested companies and recruitment agencies can exhibit to recruit directly onsite at this fair.

Job Submission Procedure

Please download “Job Submission Form” at www.engineering-jobfair.com and fill the information in English or Thai. All the companies in Thailand are invited to submit job openings related to engineering field (all kinds) by filling the form and send to us by email to expo@technobiz-asia.com. All the submitted information will be placed on the notice boards of the job fair. All the engineers are eligible to visit this expo area to review all notice boards for FREE.

Exhibition

Interested companies and recruitment agencies can exhibit to publicize company and available jobs as well as to recruit directly onsite at this fair. The exhibition entry is free for all engineering professionals to visit exhibition area.
